

STAGE INTRODUCTION

Our speaker today is Bill Fournet [pronounced FOUR-NET], President/CEO of The Persimmon Group, the award-winning management consulting firm he founded in 2004. Bill has been a project leader for more than 25 years in the IT, engineering, manufacturing, and business change areas. He has led or overseen large and mega projects in excess of \$10 billion. Sometimes called “The Navigator of Chaos”, Bill loves to solve complex problems for organizations of all sizes. A popular keynote speaker, Bill believes “we are in the midst of a great transformation.” From technology to generational issues, Bill analyzes workforce trends to help you stay ahead in uncertain times.

Let’s welcome, Bill Fournet!
