Project Leadership | The Persimmon Group

What Distinguishes Elite Project Managers from the Rest?

At the core, they adopt a CEO's mindset, empowering them to:

INSPIRE TEAMS

They rally and unite their team around shared project outcomes.

SATISFY STAKEHOLDERS

They gain enthusiastic buy-in from stakeholders at all levels.

MAKE BETTER DECISIONS

They leverage their intuition for more precise and expedited decisions.

OVERCOME CONFLICT

They think, speak, and act with courage, even in the face of conflict.

11/10/23, 10:27 AM

Project Leadership | The Persimmon Group

01

Learn innovative strategies that executives use to lead at the top of their game.

Before each session, PMs will read a short excerpt from our signature guide “Unlocking Project Leadership,” which will challenge existing beliefs and expand their thinking about project leadership.

<https://thepersimmongroup.com/project-leadership/>

6/16

02

Discover profound insights through expert mentorship and group discussion.

An Executive Coach will facilitate a powerful group discussion that will allow participants to uncover hidden insights that strengthen leadership in simple and profound ways.
